

DeWatering Program for Remediation of Bear Creek Dam in Franklin County, Alabama

to the Core.
Integrity

Tennessee Valley Authority
(TVA)

Contract Value:
\$777,000

Start Date:
January 2008

End Date:
June 2008

Project Reference:
MoreTrench American
Corporation
Paul Schmall
(973) 627-2100

Miller provided sonic drilling technology and 10-inch casing advancement drilling technology with support crews to drill and install deep extraction wells, rock piezometers, soil piezometers, eductors and inclinometers. Formations of clay, silty clay and gravel deposits required the air rotary casing advance system and the sonic casing advance system to install wells.
